# Locks Women Series

- andrewcroucher@sky.com To David Robert
- Today at 9:06 AM
- Good Morning David, hope all is well. Thanks for getting in touch regarding moving forward in to 2016. We would very much like to be a part of next season and if your happy we would like to do the same package as this year, obviously we will be doing our best from this end to promote the races and maybe we can get more riders involved and hopefully improve on the success of 2015.
- As for the sponsorship package this year i would say you did a very good job! we were more than happy with the shop coverage, the medals were also a nice touch! All the events ran smoothly and i think it was an all round success. Like is say it would be great to move on in to next year, be involved and bring the whole thing along.
- Kind regards
- Martin
